St Vincent’s bases its approach to privacy on the CEO policy.

- St Vincent’s collects personal information, including sensitive information, about students and parents or guardians before and during the course of a student's enrolment. The primary purpose of collecting this information is to be able to provide the best possible education for the students.
- Some of the information collected is to satisfy our legal obligations, particularly to enable the discharge of our duty of care.
- Certain laws governing or relating to the operation of schools require that certain information be collected. These include public health and child protection laws.
- Health information about students is sensitive information within the terms of the National Privacy Principles under the Privacy Act. We require medical reports about students from time to time.
- At times information is given to others for administrative and educational purposes. This may be to government departments, Catholic Education Offices and schools, the Catholic Education Commission, the local parish, Catholicare and people providing services to the School, including specialist visiting teachers, coaches and volunteers.
- On occasions information such as academic and sporting achievements, pupil activities and other news is published in School or Archdiocesan newsletters and magazines.
- St Vincent’s contracts with Catholicare to provide counselling services for students. The Principal may require the Counsellor to inform him or her or other teachers of any issues the Counsellor believes may be necessary for the school/college to know for the well-being or development of the student who is counselled or other students at the school/college.
- Parents may seek access to personal information collected about them and their son/daughter by contacting us.
- We may include your contact details in School / Diocese contact lists and directories. If you do not agree to this you must advise us now.
- As part of the school's publicity activities there may, on occasions, arise the situation whereby the school, Archdiocese of Canberra and Goulburn Catholic Education Office (CEO) or local media will need to take photographs and/or video footage of your child/ren for publication in newspapers, school documents, CEO documents, training videos and/or the school/CEO website.
